

Micah Seiff

2D Animator | Storyboarder | Character Designer

412-439-6630 | micahseiff@gmail.com | micahseiff.com | linkedin.com/in/micah-seiff

2D Animation student at the School of Visual Arts pursuing a BFA, with a growing interest in visual storytelling, concept development, and motion-based communication. Coursework and projects include translating abstract ideas into visuals through storyboards, short films, and presentation decks. Drawn to collaborative, interdisciplinary work that blends narrative, design, and interaction, with curiosity and adaptability at the center of the creative process.
